McDonald Lake Residents Association

November 2007

Subdivision Sign

We are on the last leg of preparation to install our subdivision sign. Plans are to have the ground prepared for the delivery of the sign in the following weeks. A big thanks goes out to Reg Rankin for financial support. Rest assured that we will get to enjoy it before the snow flies.

Street Light Out?

If there are any street lights out near your house please report it to 490-4000. HRM pays for 39,000 street lights every year whether they are working or not.

Community Bulletin Board

As you have probably noticed we have placed a bulletin board next to the mailboxes. Anyone is welcome to use this for any flyers or information they would like to get out to our subdivision. We would like to thank Melissa, Jeff and Austin Verge along with Dan McGinn and others that volunteered their time to make this a success.

Mabel Labels Fundraiser

In June the MLRA joined Mabel Labels as a sales representative for their product. This was done as a fundraiser and we were able to collect a profit of \$82.78. Thanks for all of your support.

Parkland Development Session

In late January MLRA will be hosting a planning session for the development of the parkland located on Prospect River Court. Our focus will be developing a park that promotes enjoyment for all ages in a natural setting. We encourage your children (5yrs and up) to attend the meeting and share your thoughts and ideas.

Annual Adopt a Family

Expect to see our 'elves' out collecting donations on behalf of our 2nd Annual Adopt a Family.

This year we would like to thank Steven Dow From Dow and Duggan Log Homes and Leonard's Seasoned Firewood For kicking it all off with a donation of firewood to heat our family's home. Mom, Dad and six children have had a rough year so let's show our community support and give them a Christmas they really deserve.

Donation Received

MLRA would like to thank the Halifax Regional Search and Rescue for a \$150.00 donation. The donation was awarded to us for the overwhelming support that our residents gave the Search Team during the search for a missing person in our subdivision. Thanks to the help and support the woman was found. Special thanks goes to Dawn McGrath and her staff of Old Port Pub and Grill for food contributions.
